## ALLAHABAD MATRIC

We understand that the "Allahabad Women's University" is permitting private Women Candidates to its "Vidya Vinodhini" Examination from all over India; that this Examination will be conducted at centres wherever 100 or more Candidates are available and that this is recognised as equivalent to Matriculation throughout the country. We have now to ascertain whether Candidates who pass in this examination will be eligible for: (1) admission to College courses & (2) recruitment to Government service. We have further to ascertain whether this University will be able to conduct its examination at Hyderabad, when both the Government of Andhra Pradesh (in the Department of Education) as well as Osmania University objected to Aligarh University's efforts to conduct its Matriculation Examination in April, '64 at Hyderabad on grounds of interference in their territorial jurisdiction. If there is no centre for this examination at Hyderabad (in the last moment) the entire charm that this course carries with it will be lost. In the interest of intending Candidates, therefore, we are making enquiries and if it is really going to be in the interest of the Girl Candidates, we would definitely take it up. Candidates in the meantime may get their names registered for this course with us. Registration fees is Rs. 5/- only.
